NORTH AMERICAN LUTHERAN CHURCH

NALC

When the NALC was formed in 2010, it began with 17 charter congregations. God has blessed us! We have reached a milestone: 500 congregations—thanks be to God!

About the NALC

The NALC is a fast-growing, Christian church in the Lutheran tradition, uniting Lutherans in congregations across North America. The NALC embodies the theological center of Lutheranism in North America and stands firmly within the global Lutheran mainstream.

We are a church family committed to the authority of the Bible as the inspired Word of God. In keeping with the Lutheran Confessions, we believe all doctrines should and must be judged by the teaching of Scripture.

The NALC has embraced four core values which shape our common life: Christ Centered, Mission Driven, Traditionally Grounded, and Congregationally Focused. We are a church centered on the unique Gospel of Jesus Christ, animated by missions and evangelism, grounded in the 2,000-year tradition of Christian faith, and organized chiefly to serve our congregations.

A renewed Lutheran community moving forward in faith, the NALC is focused on living out Christ's Great Commission to go and make disciples in North America and around the globe. We invite you to learn more about our church family.

Easter Egg Hunt

Starting March 3rd, bagged, empty easter eggs, will be available in the Narthex, for filling. Please take a bag or two and fill them with candy, then bring back the next Sunday. All eggs need to be returned by Friday, March 29th to the church.

There will be a carnival with games, face painting and crafts in the fellowship hall, along with a guessing game for really big kids as well, followed by the Easter Egg Hunt with hunting grounds for ages from 1 to 6th grade. We love for adults to get involved in the egg toss outside.

Anyone wanting to help, call Carmen Nazario at 972-533-9935.

Making a Molehill out of a Mountain

Tuesday morning eight very energetic members of our congregation met to spread a mountain of compost onto and into our new flower beds and across our lawn. By sheer effort, Bill Videtto, Jeff and Susan Buntz, John Minser, Ken Pontious, Louie Hernandez [Ken's son-in-law], Terry Ball and Jerry Redman worked like tigers and managed to make a significant dent into the mountain of compost and to reduce it

into a manageable "molehill". Thank you for your efforts, dear ones! When we enjoy our beautiful flowers and trees this summer...we will remember all your hard work.

Colossians 3:23.
