Dear Friends in Christ,

We are continuing with our stewardship emphasis at Our Saviour's. We are taking January and February and exploring how we live and how we give as the people of God. Our intent is to have some fun as we explore this topic. We have a few things to share with you.

First, we hope you are having some fun with our stewardship focus on Matthew 25. As you know, based on Jesus' parable in Matthew 25, we have given out money to people in the congregation; now we are encouraging you to be creative with it. Use the money to make more money, or to invest in a special or helpful cause. Please be creative; we are hearing some fascinating ideas and stories. Please have some fun with these moneys that have been entrusted to you.

And second, as part of our stewardship emphasis, we are sharing a Time and Talent sheet. A Time and Talent sheet is a way of asking for people to volunteer to help with the various ministries and activities at the church. It is a way to give of our time and our abilities for the work of the church. We are including the Time and Talent sheet with this mailing. Please read it over and mark the activities that you would be interested in sharing. Please fill out the sheet and return it to the church. You can either put it in the offering plate on Sunday morning (which is a nice way of reminding ourselves that our giving of our time and talents is an offering to the Lord!) or drop it off in the church office. And we will include copies of the Time and Talent sheet in this week's Sunday bulletin, so you can just fill it out on Sunday morning if you would like.

Thank you for your help with the Time and Talent sheet. We depend on our members for so many activities, and we have such good participation from our members. We are most grateful! We appreciate all that you do for our congregation.

God Bless,
The Church Council
