Here is the latest news for Our Saviour's Lutheran Church!

## Wally's Corner

This week Pastor Wally shares some of the discussion with the church council regarding recent changes regarding safety protocol. Read more by clicking the button below.

### Read More

### Daylight Savings Time

Reminder: Sunday the 14th we change to Daylight Savings time...Spring your clocks one hour forward before you go to bed on Saturday night.

## Acolytes Training

We are glad to announce that we will be offering acolyte training on Sunday, March 14, after the late worship service (approximately 11:45). We invite all youth who are interested in helping the congregation in their worship through this ministry. Often this is a ministry provided by those in the 5th grade through high school, but it is open to anyone who is interested.

## Call Committee Update

The call committee has sent the completed Congregation Profile to the NALC and our congregation will be added to the Call Process Vacancy list on the NALC website. The profile will also be sent to all pastors available for call in the NALC. Thank you to everyone who completed the congregational survey as this was a very important part of our Congregational Profile.

## Lenten Worship

The Biblical Basis of the Liturgy at 7:00. The meal before this has been canceled.

## Reminder!!!

A reminder – official updates on church schedules will be posted on the Church’s web site. We will try to be posting information elsewhere – but this is the first place information and updates will be – at the top of the home page at [www.oslctyler.org/](http://www.oslctyler.org/)

## **Come Have Coffee with Pastor Wally**

We will continue the time of conversation and coffee (and hot chocolate and tea) on Wednesdays 1:30-3:00.

Both Pastor Wally (Stephen Seibel) and our church have Facebook pages.

## **Covid-19 Reminder**

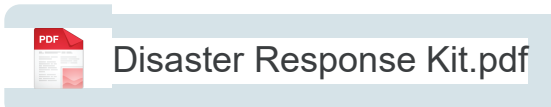

Gov. Abbott is ending the statewide mask mandate on March 10. Gov Abbott made it clear that business owners and churches can continue to limit capacity, social distancing, and require masks. Our council took a straw vote and the outcome was that we will maintain our social distancing, limited capacity, and mask requirements for the foreseeable future.

## NALC Disaster Relief Program

Mary Bates the National Director of the NALC Disaster program will be at OSLC on March 13 from 9am to 12pm. All are welcome to met her and learn more about the NALC disaster program. It should be an informative meeting on how and what the NALC provides in a disaster event.

Attached is a copy of the Disaster Response Kit that will be stored in our warehouse.
