Help the Quilters

The Quilters are in the process of making baby blankets to supply those in need during an unexpected disaster, such as flooding, tornadoes, etc. If you have any gently used flannel sheets or material or any new flannel material, you can help in the baby blanket project by donating material to the Quilters. Please place any donations in the box which has been set outside the Quilter's room, which is in the Sunday School Wing of the church. The Quilters have also made carrying bags for supplies given to those in need. Thank you for supporting the Quilters, OSLC, and the NALC through these donations.
