Mark Your Calendars for Holy Week!

The 2022 Lenten Season has one more Sunday, April 3rd.

Beyond this season we follow Jesus Christ our Savior ...

... to His triumphal entry into Jerusalem.

... to the Passover with His disciples, where He institutes the Holy Supper of His body and blood.

... to the climax of His earthly pilgrimage, His suffering and death on the Cross, where He, the Lamb of God and the Hope of the world, takes away the sin of the world.

... to the tomb of His burial, under imperial seal and guard.

... to the empty tomb and the empty shroud, and to celebrate the Feast of the Resurrection.

OSLC Medical Response Team

Did you know that OSLC has a Medical Response Team? It's basically a group of active and retired medical personnel that have volunteered to respond to any medical issue/emergency while at church. They will respond, assess the medical situation and be the medical interim until professional Emergency help arrives (if needed). They are responsible for keeping the AED (Automated External Defibrillator) charged and up-to-date, keeping the First Aid supplies stocked and are ready to assist in any medical emergency due to severe weather such as tornadoes.

We will have an AED/CPR course (that includes what to do in cases of choking, because we do love to eat, right?) for both adults and children. Anyone can attend. After all, emergencies happen at home, too! Exact date to be determined. If anyone has a medical background and/or has experience in AED/CPR and would like to be a part of this team, please let Susan Buntz know. 903.805.8719

(susanbuntz@gmail.com) Team members so far include: Beulah Rhodes, Sally Dengerud, Cheryl Pontious, Dr. Hayden Head, Joni LeBlanc and Susan Buntz.

Opportunity for NALC to help - Fires in Texas

TX (& Oklahoma Friends) Mission Region Friends -

The town of Carbon, Texas was severely affected by fires March 20 with 151 structures burned. Many more structures in the county were destroyed. Over 60,000 acres were consumed. Another fire that threatened the town of Lipan burned 11,000 acres, but it was stopped just outside of the city limits. All the grass is gone. All the hay supplies were burned up. Many fences were damaged. There will be nothing for the cattle to eat for at least 2 months. The immediate needs are hay, feed and fencing supplies to help with the livestock. NALC Disaster Relief has already committed \$10,000, hopefully making it possible to transport hay into the burn area. Support can be sent to "Peace Lutheran Church", Attn: Fire Relief, P.O. Box 112, Clifton, TX 76634. Peace will be buying supplies locally and delivering. For more information, contact Ricky Richards (rickyrichards@centurylink.net/214-213-3838). If you have a full load of supplies, you can deliver it directly to the collection site in Gorman, Texas. See the information sheet attached.
