Our Savior's Lutheran Church

Here is the latest news for Our Saviour's Lutheran Church!

A Word of Thanks

Dear Church Family,

So many thanks coming your way for giving your time and talents in putting on The Easter Egg Hunt 2022. A great time was had by all, especially the little ones.

Volunteers Wanted

Our first phase of our Audio/Visual upgrade is complete. We have a new soundboard and additional speakers have been installed. Our next step is the installation of the new visual components, which is scheduled for installation in early May. We are looking for volunteers to help on the soundboard and visual components in our worship services. Toby and I will train you in the areas that interest you. You must have some experience with Microsoft 10 or 11. Below are some of the tasks:

- Operating the sound board
- Preparing the slides for the worship service
- Flipping the slides during worship service
- Editing the worship service video
- Setting up the microphones

Prime Timers - Mark Your Calendars Meeting April 21, 11:30!

For the April meeting, Prime Timers have decided to meet in the Fellowship Hall. Lunch will be potluck style. However, let's keep the dish size modest. I'm not

saying we are a dainty group, but we don't want to have to throw out food.

Pastor Martin will lead us in prayer and a short business meeting will follow. The entertainment for April will be a game of chance, namely BINGO! So, warm up those fingers, and get ready for some excitement and prizes.

Also, please bring a "white elephant" gift that can be used as a part of our prize booty.

A Thank You Note from Pam Arntt

Hello Everyone,

I'm so sorry for the delay in getting this off.

I would like to Thank everyone for all the prayers and support while I've been down and out again. The prayers have been truly wonderful and have helped me so much. I feel I'm on my way to a full recovery. And praying it does not happen again.

This getting old is not good thats for sure. But must add this is just a start.

Thank you for the calls and flowers. Sure brightened my days.

Thanks Again everyone - Pam Arntt

See the note posted on the bulletin board in the Narthex.

OSLC Medical Response Team

Did you know that OSLC has a Medical Response Team? It's basically a group of active and retired medical personnel that have volunteered to respond to any medical issue/emergency while at church. They will respond, assess the medical situation and be the medical interim until professional Emergency help arrives (if needed). They are responsible for keeping the AED (Automated External Defibrillator) charged and up-to-date, keeping the First Aid supplies stocked and are ready to assist in any medical emergency due to severe weather such as tornadoes.

We are having an AED/CPR course (that includes what to do in cases of choking, because we do love to eat, right?) for both adults and children. Everyone is invited to attend. After all, emergencies happen at home, too! The class will be held on Thursday, April 21st at 6 p.m. It should last about 45 minutes.

If anyone has a medical background and/or has experience in AED/CPR and would like to be a part of this team, please let Susan Buntz know. 903.805.8719 (susanbuntz@gmail.com) Team members so far include: Beulah Rhodes, Sally Dengerud, Cheryl Pontious, Dr. Hayden Head, Joni LeBlanc, Jana Snyder and Susan Buntz.

Thursday Morning Bible Study

Thursday Morning Bible Study is canceled for Maundy Thursday, April 14th. Studies will resume on Thursday, April 21.
