Potluck

Our beloved 5th Sunday Potlucks are back! The Potluck will be after worship on July 31st.

Have you seen the sign up sheets? Is your name on one of them? Don't worry you don't have to cook anything! Just help set up or clean up - don't forget to eat up!!!

Look for the Sign Up sheets in the Narthex.

Vacation Bible School 2022

Our Vacation Bible School for this year is over, but fruit from the seeds planted this past week will continue to flourish down the years ahead and into eternity. A special thanks goes to Carmen Nazario and Michelle Hollenbeck for their leadership in this

effort as well as to the five young adults from Lutherhill who served as our counselors for the kindergarten through sixth grade.

Fifty-seven children and teenagers participated in VBS either as students or as student helpers. Beyond that number we gratefully recognize a large number of adults who participated in VBS either as teachers, classroom helpers, musicians, host families, or as part of our welcoming and registration crew, kitchen crew, safety crew, cleaning crew, or maintenance crew! We are also grateful for the generous way our congregation as a whole supported this effort with your donations of food, supplies and financial resources.

You can view a large number of wonderful pictures of this year's VBS at the bottom of our web page in the section entitled Photo Gallery or click the button below.

P.S. If people still have the VBS yard sign, to please bring them back to church.

Playground Equipment Fund Raiser

We have not had anyone step up and volunteer to organize the garage sale, but we have heard from multiple people that they would donate to buy new playground

equipment. Apparently garage sales are not all that popular. so we are not having a garage sale and instead, we are asking for donations to replace the current playground equipment. If you wish to donate by check or cash, designate Playground Fund in the memo or use one of the envelopes with a Playground Fund label. If you have any questions please contact any council member.

Men's Fellowship

On Saturday, July 16th, a group of about 30 men gathered at Todd Nazario's Home for Fellowship.

There was great time to be had by all. Tables and benches were setup in the shop, a.k.a., the man cave. Some cooked brats, still others shot sporting clays. And most importantly, all had a good conversation and camaraderie.

Thank you Todd for hosting hosting this event. It was a great success!

Be sure to watch for future announcements about men's fellowship opportunities later this year.
