

OSLC Council Meeting

August 2022

Due to the lack of significant agenda items and the number of members unavailable, there was no meeting in August. Committee reports were distributed. The following items were agreed to via email.

1. Our next Council meeting will be August 14th;
2. We will not have a garage sale. Chris had Merry place a notice in the Epistle and is soliciting donations for new playground equipment; and
3. Ken has approval to move forward with planning and permitting process to locate the NALC trailer storage next to the garage. The dumpster must also fit in that location.
