Our Savior's Lutheran Church

Annual Congregational Meeting

We will be holding our annual meeting immediately following our church service on Sunday, January 22nd.

New Sunday Study

Second Corinthians: Finding Strength in Weakness

Discover how Paul learned to depend on God's grace.

Second Corinthians encourages believers to embrace and follow the way of Jesus. This path of discipleship transforms lives and values generosity, humility, and weakness.

This class is open to all ages. We will meet in the Fellowship Hall starting Sunday, January 8th at 9:00 am.

Prime Timers

Prime Timers will be meeting Thursday, January 12th, 11:30. The plan is to have a Chili Cook Off with all the "fixins". So, find your favorite chili recipe. Some like it with beef, or chicken, or pork. And then there is the age old argument of should it be made with beans or no beans allowed. No matter bring your favorite chili recipe. And for those that prefer not to cook, we need a few people to bring some condiments such as corn bread, perhaps some chopped onions, jalapenos, sour cream or some shredded cheese. And a few people could bring some desserts to top our meal off.

And after much debate about who has the best chili we will have a game of Andy Griffith Trivia pursuit. You have a generous two weeks to brush up on Andy and Barney.

So, please join us on January 12th, bring a guest and let's have some fun!

Thank You From St. Paul's ... and a Prayer Request

Approximately 16 white gifts were delivered to St. Paul's Children's Services. Wyatt received the gifts and was very appreciative! They are always in need of newborn items and will distribute them ASAP. Thank you all for your contributions!

Additionally, Wyatt asked for prayers for their mission. In addition to having to curtail some activities due to limited resources, they have suffered damage from broken pipes during the Christmastime freeze. Prayers are greatly appreciated.
