Good News and Great Joy From 2022!

God did incredible things through Operation Christmas Child this past year. Over 9.3 million shoebox gifts were collected in the U.S. during National Collection Week—the most ever! Our worldwide total was over 10.5 million boxes, which included the 200 millionth shoebox packed since the project began in 1993. That special gift was lovingly placed in the hands of an 8-year-old orphan girl in Ukraine. This remarkable year wouldn't have been possible without partners like you who packed the shoeboxes. Thank you for your generosity, faithfulness, and especially for your prayers.
